

VOYAGE CHURCH COVID-19 SAFETY PLAN 07/03/2022

Although restrictions on churches have been relaxed greatly, they aren't completely removed, so there are a few things we all need to commit to when we come together.

To maintain a safe place of worship for all participants, as per NSW guidelines, we ask that if any of the following apply to you, please remain at home.

- If you feel unwell or are experiencing symptoms associated with COVID-19 (eg: fever, cough, sore throat, shortness of breath, sneezing/runny nose or loss of sense of smell)
- If you have COVID-19 or are awaiting the results of a COVID-19 test
- If you have been in close contact with any known or suspected cases of COVID-19 in the past 14 days
- If you have travelled from an identified hotspot within Australia or any overseas location in the past 14 days

We do invite you though, to join our services on our on-line platform.

General Safe Health Guidelines.

- Hands to be sanitised upon entry using dispensers provided.
- Physical distancing at 1.5m where possible.
- Communion will be provided in a covid safe manner.
- Be considerate of others who may want to continue wearing a mask.

We understand that things look quite different than normal but this is to ensure our time together is as safe as possible if we all follow the guidelines and consider one another.
